Updates from our Branch are below. I added a few additional items, but I know it's a bit lengthy so feel free to chop if you think some are unnecessary.

Subject: KC's Return

Importance: High

Chris and Brian,

I am pulling together a document that prepares KC for his first day back. The hope is to briefly highlight major cases/matters with significant activity while he was out. This will include a list of items he asked me to follow. If you can look at the draft list and let me know if there is anything I've missed that you think KC should be aware of and please add to it. Also, if you can provide a brief update on the matters bolded in yellow I would appreciate it. Again, just a couple of sentences and any action he needs to take right away. If I can get this by tomorrow COB, I would be very grateful.
